

**TAB MEDIA PRODUCTION** (*The wedding filmers*) are professionals with 15 years of experience in this Photography industry. Imagine how one can survive in a profession, if he is not good at quality or if he is charging more than the competitors. We Wedding Photographers believe in complete transparency in our tariff and client relationships. You are explained about the details, costing and the products you get for the money you are paying. We very well understand the hardships of parents and hence we have designed the packages, from their point of view, to suit every budget. But still, wedding is a one time event in every person's life and only photographs and video film will be left for you to cherish the most important day... to make it easier for you to understand, we have given designed packages in boxes below, to meet your requirements....

**IMPORTANT:** For National Assignments We charge 20% additional to the cost of the customized packages above as professional charges apart from the travel and stay cost.

**Travel:** We travel all over the INDIA on assignments. Travel costs are as per the lowest / most reasonable fare during the slot needed. All travel charges need to be paid in advance and will be clearly indicated in your wedding package

**Stay:** We typically stay as a guest of the family. No fancy requirements, but a nice room, a clean room with some privacy for midnight edits!

## **BOOKING YOUR DATES AND PAYMENT TERMS:**

We require 50% of the selected package cost and 100% of the travel cost (If applicable) to finalize the date. This advance is non-refundable because when we commit dates to you, we turn away other enquiries and lose potential business. Another 30% is

required on the event day as 2nd advance and the balance 20% on delivery of albums and videos.
